

COMB SAGE TEA INTO GRAY HAIR

Ladies! Try this! Darkens beautifully and makes hair fall—Brings back its gloss and thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added will turn gray, streaked and faded hair beautifully dark and luxuriant. It removes every bit of dandruff, keeps scalp itching and falling hair. Mixing the Sage Tea and Sulphur with a little honey, is the best remedy for itching scalp, about 20 cents a large bottle at drug stores. Known as "Wyntha's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While white, gray, faded hair is not affected by all dyes to retain our youthful appearance and attractiveness. By darkening your hair with Wyntha's Sage and Sulphur, no one can tell because it does it so naturally, so softly, so gently, so pleasantly, so easily, so cheaply with it and draw this to your hair, taking one small amount at a time, by mixing all gray away. You will find it a beautiful, soft, glossy, and you appear years younger.

Under the circumstances he withdrew approval. By vote of the council the bill was referred back for approval before any action towards payment could be taken.

After careful inquiry and investigation, the sheriff was satisfied that the burglars were Thomas Sims and Arthur Quigley, both of Peace Dale, and aged 17 and 18 respectively. He started on the trail of the young fellows and went from place to place until Westport, Mass., was reached, when the real trail was lost. Sheriff Wilcox believed that the young fellows were homeward bound and he acted accordingly. After a hurried visit at their homes, they were about to board a train at the Kingston station when they were nabbed by the sheriff. They will be arraigned in the second district court on a charge of breaking and entering.

Without consulting the public utility commission, the Westerly Automatic Telephone company changed its schedule of rates and required regular patrons to pay ten cents extra for calls to and from Watch Hill and all within the town of Westerly. This was contrary to law and the fact was called to the attention of the public utility commission by some of the telephone subscribers. In consequence the amount overcharged has been returned to the subscribers. Now the company has petitioned in regular form to the commissioners for permission to increase the charges for the Watch Hill service, and along the same lines that prevailed last summer.

A counter petition is being circulated for signatures in opposition to the contemplated change in schedule and will be presented to the commissioners. This petition asks that subscribers be permitted to use the service at any point within the town of Westerly without any additional charge. It is set up that telephone communication can be had with Mystic for five cents and with New London for ten cents. SAVE YOUR HAIR! IF FALLING OUT OR DANDRUFF—25 CENT BOTTLE

LADIES! MEN! HERE'S THE QUICKEST, SUREST DANDRUFF CURE KNOWN.

Thin, brittle, colorless and scraggy hair is sure evidence of a neglected scalp of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very texture, producing a feverishness and itching of the scalp, which if not eradicated causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—now—anytime—will surely save your hair.

Get a 25 cent bottle of Knowlton's Dandruff from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be that just a few weeks use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
